

Parent-Teacher Conferences

Parent-Teacher Conferences have been adopted by the District as a means of reporting student progress to parents or guardians in K-12 grades. These conferences are to serve as a two-way method of face-to-face communication for the benefit of the child. They should not necessarily be confined to reporting, but may be planned for any occasion that will be helpful to the teacher, the child, and the parents or guardians. They should afford an opportunity for sharing information and views designed to promote the welfare of the child.

Schedule for conferences, the number of conferences, and general details shall be worked out to meet the needs of the parents or guardians, teachers, and students.
